THE NORTH CAROLINA ARATOR.-THE UNDERSIGNED proposes to publish a journal, in the City of Raleigh, to be devoted to the great interests of the Farmers and Mechanics of North Carolina, under the above title. It will be issued monthly, in a neat and convenient form for reading and preservation, at one dollar

per annum, payable in adamce.

A leading object of the ARATOR will be to select from the numerous periodicals of the country whatever may be deemed solid and good, well suited to our section, and calculated to aid our Farmers and Mechanics in the march of improvement. The results of experience among our own citizens will also be carefully sought and brought to light, and the contributions of our most enterprising and skillful practical men given to the public, with a sunmary of general news and the state of the markets.

The true policy and interests of North Carolina will always be our motto; and if the friends of the cause of im-

provement shall be disposed to favor the enterprise, we espectfully solicit their names, and their aid in procuring Our friends will please forward all the names they can

get by the 1st of February, and keep the Prospectus for further efforts. Payment will be required on receipt of the first number, which, if encouraged, will be issued by the 1st of Marcir. THOS. J. LEMAY.

Raleigh and Gaston Railroad. NOTICE IS BEREBY GIVEN THAT FROM AND after the soch January, all dues to this Road for freight must be paid at Petersburg or Portsmouth, except on way freight, which must be paid in advance or on delivery of the goods as the case may be. This arrangement will afford great advantages to our cus-tomers by superseding the accessity of their employing more than one forwarding agent between New York and Raleigh, and having their goods or produce subjected to Agents cannot violate the above rule without subjecting

themselves to removal.

The greatest care will continue to be taken by the officers and agents of the Company in every department of its bus-iness to accommodate the public and promote the interests of its customers.

Whilst the Western merchants are going North a passenger train will leave Raleigh in the afternoon, on the arrival of the train from the West on the N. C. Road, due notice

of the train from the of which will be given.

By order of the Board of Directors,

L. O'B. BRANCH, President. As the Company has two Depots in Raleigh, merchants ordering goods to go up the N. C. Road are requested to have them distinctly marked so that their destination may be known, and they may be loaded to the through Depot from Petersburg or Portsmouth.

I chall be back towards the end of the Session to attend to the business myself. JOSHUA LINDLEY.

H. & R. S. TUCKER, HAVE THIS DAY received WARBURTON'S style of Corrucated Brims. This invention is a new and useful improvement in the brims of lats. Additional strength is imparted with much less weight; greater flexibility, softness and elasticity. ty is given to that part of the Hat which encircles the head of the wearer. The weight of the whole Hat being diminished by the absence of the portion of Felt and Stiffning substance displaced; the corrucated brim presents a

new, beautiful, and chaste appearance, which, in connection with its acknowledged utility and comfortable adaptation, will favorably commend it to wearers of Hats.
